

Lightweight Half Size Cart

P/N: TH0023-A01

Lightweight Carts are made of high-grade aluminum alloys extrusions and sheets, stainless steel hardware, with approved insulation forms which meet all fire property requirements.

Egret Lightweight carts are made by using CNC technology to further optimize the structures with special lightweight TENTE Aviana castor wheels by Tente-Rollen GmbH, Germany.

ATLAS, KSSU, ACE or customized configurations are available.

Lightweight Half Size Carts:

Part Number	Empty Weight (kg/lb)	Remarks
